Technology Center 2600

Claim 12 is amended.

20 Claims 1-20 are pending and are listed as follows:

1. An electronic display device comprising:
  - a housing;
  - a display area provided within the housing to display content for a user;
  - 25 memory within the housing to hold data that is to be rendered into user-viewable content;
  - an electrophotographic assembly within the housing configured to electrophotographically render user-viewable content from the data that is held in the memory;
